

# Origami Talking Dog

## Step by Step

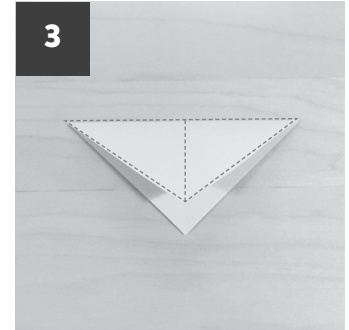

1

Take a square piece of paper and place it in the shape of a diamond.

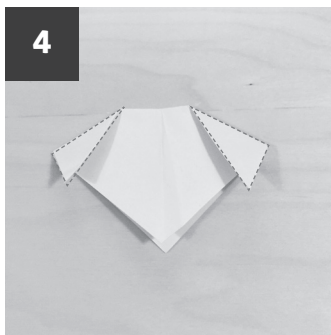

2

Fold the left corner of the paper to the right corner. Crease, then unfold.

3

Fold the top corner down to the bottom, and leave it like that.

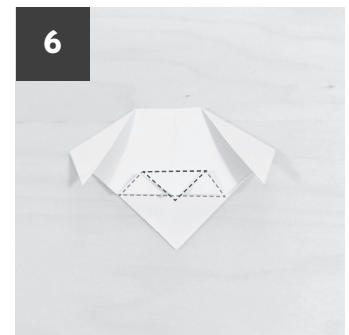

4

Take the top corners, and fold them down.

5

Fold the bottom tip of the face up into a small triangle.

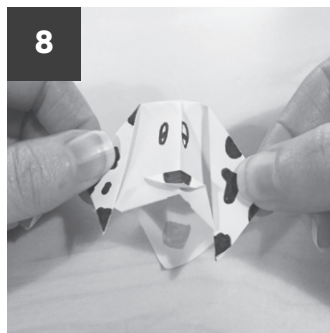

6

Take the small triangle, and fold it again.

7

It's time to decorate!

8

To make the dog talk, pinch the dog's ears and push them together.
